

For a good old 'Ye Ha' night -

November 1, 2008 is the day to get out your Country and Western gear, brush up on your boot scootin' and come for a drive to Hartley and enjoy yourself at a country and western night. The entertainment will be by local Dean Taylor who has played at many venues in NSW, NT & Vic. If you have a tent bring it along and stay the night, I'm sure we can find a space, maybe you have a swag and you just want to sleep under the stars or if roughing it isn't your style a list of motels is supplied.
